

## WITS Changes – 17.17.1 Release (Mental Health)

4/14/2015

In the 17.17.1 Release 2 bugs were repaired in WITS. Below are a summary of the errors and the resolutions of the problems.

- 1) Scheduler: Users are no longer able to type into 'Procedure' drop down box to bring up specific Procedure. **Resolution:** Users are once again able to type into 'Procedure' drop down box to bring up specific Procedure.
- 2) Vendor Management: Reviewing a Voucher with an Expired Service Duration Type results in error. Resolution: An error no longer occurs when reviewing a voucher for which the corresponding Service Duration Type is expired.

Below you will find a summary of the change to WITS for the 17.17.1 release (which took place April 16, 2015). When these changes are made in Idaho-Mountain and Idaho-Pacific, the top left portion of your screen will say 17.17.1.

### Encounter List

A new UCN search filter has been added to the agency Encounter List screen, and Client DOB has been added to the Encounter List and is an export field.

A screenshot of the WITS application interface showing the "Encounter Search" and "Encounter List (Export)" screens. The top header bar shows "17.17.0" and "Idaho-WITS Training". Below the header, the "Encounter Search" section contains various input fields: "Enc ID", "First Name", "Program", "Status", "Balance", "UCN" (highlighted with a red box), "Rendering Staff", "Last Name", "SSN", "Service Start", "Payor Plan", "Supervising Staff", "Procedure Code", and "Facility". There are "Clear" and "Go" buttons. Below this is the "Encounter List (Export)" section, which is a table with columns: "Actions", "Enc ID", "Client Name", "Client DOB" (highlighted with a red box), "Svc Start", "Status", "Duration", "Procedure", "Rend. Staff", "Program Name", and "Balance". The table has several rows of data. On the left side of the screen, there is a navigation menu with options like "Home Page", "Agency Contacts", "Agency", "Facility List", "Staff List", "Tx Team Groups", "System Usage", "Drug Screening", "Billing", "Invoicing", "Claim Item List", "Claim Batch List", "Encounter List", "EOB Transaction List", "Payment List", "Billing Transaction List", "Client Balance", "Cost Center", "Payor Plan List", "Authorization List", and "H835 Management".
